Claim (continued)

Please understand that I, Doctor Bobby Lee Fair  
 Junior have repeatedly submitted complaints in the  
 format of A 28 U.S.C. § 1983 and to Back It  
 up A 42 U.S.C. § 1983 And have submitted  
 twice the filing fee and twice the processing fee;  
 then desiring hopefully an audience before the  
 Honorable Judge, submitted Three 28 U.S.C. § 1915/5  
 at a cost of \$15 Each. The Financial officer  
 here was not readily often available here, but  
 I came to later with cash (20 Twenty Dollar  
 bills and Two Small Ones One Hundred) And I  
 received Monies From Family and Two submitted  
 \$350 \$350 For A total of Four Hundred For  
 Each of 28 & 42 U.S.C. 1983 Due to the  
 Fact That I AM NOT FACING CHARGES  
 And Am being KIDNAPED So I felt it  
 necessary to sue on the basis of a free man  
 and a felon and to three times pay for  
 Habeas Requests. You have, to date,  
 Heretofore Ignored my pleas for mercy  
 to be released to take care of my wives and children,  
 and two new babies have been born to me during  
 this illegal false incarceration. The world is not enough.

I write to the Courts every time I get a chance out of my cell and have made it plain to my captors that this so called Evaluation is illegal due to the fact that my charges have been summarily dismissed months ago, and NRS (Nevada Revised Statute) delineates the processes that must be followed to release a man in my situation; but as much as I try to explain to the million of technicians here that I DID NOT CONTACT OR CALL ME but simply submitted to Police to avoid the scene, they just look at me like I'm stupid and my assertion of my rights to be free as I do not have any pending charges falls on deaf ears. You too, Court (Judges) have personally ignored my cry for mercy through formally drawn up according to proper legal procedure and format and on pleading paper, headed properly to this Jurisdiction and covered formally. Therefore, I AM NO LONGER IN ANY WAY, SHAPE, OR FORM SUBJECT TO ANY PROCESS OR RULING OF YOUR COURT PROCEEDINGS DUE TO THE FACT THAT YOU HAVE, AGAINST THE HIGHEST LAWS OF THIS LAND AND INTERNATIONALLY

There is no question. You will

not do this again to anyone else proceeding  
offer me. I take a strong by damming  
man.

## Type Of Claim:

False Imprisonment

 Violation Of A Domestic Military Agent  
 Disregard Of Glaring Verifiable Evidence Done

 Sexual Infringement / Rape Of A Spouse / Sexual

## Statement Of Claim :

To begin, let it be stated that it is NO LONGER  
 INCUMBENT UPON Doctor Fair To enter any more  
 PLEADINGS with the Court Due To the Fact  
 that he has been held without any justification  
 or rational charge since March 5, 2021, and  
 that of his Several Calls, letters to the  
 Several Judges, and properly styled legal  
 motions and petitions, properly situated

and formatted on pleading paper when necessary or on hand created forms; all such pleading to the Court has been heretofore starkly IGNORED though documented by the U.S. Postal Mail System.

Since a few days before Halloween, Doctor Fair has been transferred to Lakes Crossings Prison Facility for a false evaluation not permitted by law, and has pleaded to you for relief, but to no avail.

This trial is impermissible due to the fact 1) that The Law dictates that no person not charged with a felony must be submitted to any evaluation, whimsical or otherwise, or subjected to any one in any way, shape, or form of Doctorate status, psychiatrist, or psychologist, be what may.

2) For balance, if a person is charged with a misdemeanor of minor degree, or simple traffic, as was I

PLATIN (continued)

then A person with ONLY A Master's Degree of Social Work would Be Required to be involved to conduct A brief BioPsycho Social Evaluation To Help the volant find placement in the community upon release IF indeed the person pled OR to negotiate with the Court if the alleged offender is not guilty as am I NOT.

Therefore, According To Nevada Revised Statute Chapter 178, In A Charge Such As Mine WAS: OPEN AND GROSS LEWDNESS; FIRST OFFENSE; STATE OF NEVADA OR CALIFORNIA; THIS was A 1) Gross Lack Of Insight; not even a misdemeanor or Felony and should have been dismissed upon arraignment.

Yet I have, because of my utter humility and patience been held

The most disgusting thing about this victimization of my self and family through, and honest justice that I AM HEREBY FILING (CLAIM FOR), IS the Predatorial Sexual Situations that Arise when a man of my Caliber is incarcerated for an extended period of time.

Doctor Fennell has overly taken the time to research private personal info

about my self, and demographics to locate my wife and children, and to seduce them coercively with lying promises of houses in the hills, producing fitful lucre in paltry amounts for disgusting sexual contact with the apple of my eye, My wife, Dee Mars' Swan Lake Fair.

The world is not enough to pay me back for this misery, for with his worthless sex, this white whore dog pikey pig has ruined a life in entirety. Because of ever touching him, I am no longer proclive to assisting Dee Mars' Swan Lake Fair, M.D., P.H., M.F.A reach her full potential in life, and I don't care if she goes after worthless sex her whole existence from now on until eternity. But I will recoup what I wanted for her in Jerusalem from this worthless white pikey, for in a state where prostitution is legal, it takes a real penchantive coward to flagrantly pursue the wife of a man
